“ *I meet Jolene 21 yrs. Ago when she came to work at the Church daycare. We became instant friends and been friends ever since. I wouldn't have wanted any other way. Jolene had a big heart and anyone that knew her felt the love she had to share.*

*My prayers go out to her family though I feel as if I know each one of you , Jolene loved her family and would tell me plenty of stories about her memories as she was growing up. I truly did enjoy them.*

*Rest my friend , I know you're tired. You are at peace now. Thank you so much for the wonderful friendship we shared. Until we meet again ... love you ! Sandra*
