“ Dear Great Aunt Mary, I was very sad when I heard you had passed away!! I do know that you are in a much better place. A place that I long to be someday!! I am very blessed to say that I had the privilege to be your great niece! You were so loving and kind to me and my family. I so enjoyed our visits to Richmond to see you, Uncle Bailey and Penny. Rest in peace!! Love you!! Heidi

“ Dear Aunt Mary, i know you are where you want to be, but i will truly miss you, i know i will see you again one day. Give everyone a hug from me, and have fun until i get there.

You were the sweetest, most loving person, i will miss our visits when i would come to Richmond. I have a very cherished memory of when you came to my place, then went to Lafayette to stay overnight with Delite, then we went on to Clarinda, IA to visit Jack and Karen, while we were there we visited the home of Glen Miller, and got to hear some wonderful bands play the Old Time Big Band Music, i think you had a good time.

Another time, i came and got you and we went back to Bluffton, Irene took us to all the places you had lived, you were a little disappointed that they hadn't stayed nice like when you had lived there, but we had a great day.

I really really will miss you, but envy where you are and who your with!! Say hello to Jesus for me!!

Good memories always!

Love Rosalie!

“ It is always bittersweet when a family member passes to the other side. My earliest memories of Aunt Mary are when Aunt Mary Baker, Bailey, Aunt Mary Whitiker, Charlie, Mom and Dad Baker all lived on South 13th street in Richmond. It seemed like Aunt Lucille was also there. I was just a small boy living across the street, but have fond memories of back yard gatherings. All the kids would be there too...Debra, Janis Kay, Becky, myself, and it always seemed there were a few others, and close neighbors as well. This life passes by so quickly. May Aunt Mary Rest in Peace.
